Warranty Information on Latex Sold by Organic O' Canada

Organic O' Canada warrants the Latex cores they sell to customers that their products will be free of body compressions greater than 1" of the thickness or the product can be returned under the guidelines listed below for replacement value only.

10 Year Warranty

First two years, nonprorated. Balance of Eight years(8) prorated 10% annually.

Freight returned to Organic O' Canada will be the responsibility of the Customer.

Material returned and then tested to be found to not qualify under the above guidelines, can be sent back at the Customer's expense.

Compression testing before an authorized independent company will prevail.
